## Introduction

We are aware that you place your trust in us. Therefore, we see it as our responsibility to protect your privacy. In this document, we inform you about which data we collect when you become a member of Kraket, why we collect this data, and for what purposes the data is used. This way, you understand exactly how we operate.

This privacy policy applies to the services of Kritische Actuarissen en Econometristen (hereinafter: Kraket). You should be aware that Kraket is not responsible for the privacy policies of other sites and sources that may be mentioned on the site 'www.kraket.nl' or its subdomains.

Kraket respects the privacy of all users of its site and ensures that the personal information you provide is treated confidentially. Kraket complies with all applicable laws and regulations, including the General Data Protection Regulation.

This privacy statement may be amended from time to time due to legislative changes. Therefore, it is advisable to consult this policy periodically.

## Processing of Personal Data

When you sign up for a membership with Kraket, we ask you to provide personal data. This data is processed by Kraket for the following purposes:

- Administrative purposes;
- Contacting you and providing information;
- Providing membership;
- Linking bank details to personal data for payments of services and products to process your orders;
- Analyzing your use of the website;
- Operating and securing the website.

For the above purposes, Kraket may request the following personal data from you:

- Name;
- Address;
- City;

- Phone number;
- Email address;
- Date of birth;
- Gender;
- Bank details;
- Login details;
- IP address;
- Data about your activities on our website;
- Internet browser and device type;
- Student number;
- Study and study year.

The data is stored on Kraket's own secure servers or those of a third party. The required data is the minimum necessary for providing and securing Kraket's services. If these required data are not provided, Kraket cannot grant membership.

Your personal data will be stored by Kraket for the aforementioned processing purposes for the following period:

- During the duration of the membership, and thereafter for one year in a former members' file. We use this to provide information about, among other things, the alumni association Extrie. After this period, personal data will only be retained in the financial administration for up to seven years.

## Purposes

We do not collect or use information for purposes other than those described in this privacy policy unless we have obtained your prior consent.

section\*Third Parties The personal data you provide to us may be shared with third parties if necessary for carrying out the previously described purposes. We use third parties for:

- Sending newsletters and other mailings;
- Managing the online environment.

We never provide personal data to parties with whom we have not concluded a processing agreement. Furthermore, we will not share your personal data with other parties unless this is legally required or permitted, or unless we have obtained your prior consent. A special third party is our alumni association Extrie. Due to the collaboration between Kraket and Extrie, we share the same domain. Therefore, our alumni association will have access to personal data in the administration. To protect your data, all parties with access to the administration will sign a processing agreement.

## Retention Period

Kraket will never retain personal data longer than necessary for the purpose for which they were provided or as required by law.

## Security

Kraket has taken appropriate technical and organizational measures to protect your personal data against unlawful processing. Examples of these measures include:

- All persons who can access your data on behalf of Kraket must adhere to a confidentiality agreement;
- DKIM, SPF, ARC, and DMARC to prevent emails from being received in our name that contain viruses, spam, or are intended to obtain personal (login) details;
- The Kraket domain is secured against hacking with a TLS security certificate;
- We implement a username and password policy on all our systems and, where possible, two-factor authentication;
- Devices accessing your data are locked with a password, PIN, and/or biometric data.

## Communication

When you send us emails or other messages, we may retain those messages. Sometimes, we ask you for personal data relevant to the situation. This allows us to process your questions and respond to your requests. The data is stored on Kraket's own secure servers or those of a third party. We will not combine this data with other personal data we have.

## Cookies

We collect data for research to gain a better understanding of our members and tailor our services accordingly. The website 'www.kraket.nl' uses "cookies" (text files placed on your computer) to analyze how users use the site. The information generated by cookies about your use of the website may be transferred to Kraket's own secure servers or those of a third party. We use this information to track website usage and improve usability.

## Rights

You have the right to access, change, or delete all personal information we hold about you. Additionally, you have the right to restrict or object to the processing of your personal data. You also have the right to have the data you provided transferred to yourself or, at your request, directly to another party. You can exercise these rights by submitting a request via the contact details below. We may ask you to verify your identity before complying with these requests. The data we process about you are the minimum required for offering Kraket's services. Restricting or objecting to data processing may result in exclusion from Kraket membership.

If you have given consent for processing your personal data, you have the right to withdraw this consent at any time.

## Questions and Complaints

We regularly review our compliance with this privacy policy. If you have questions or comments about this privacy policy, please contact us using the details below.

Additionally, if you have a complaint about the processing of your personal data, we encourage you to contact us directly to find a solution. You always have the right to file a complaint with the Autoriteit Persoonsgegevens.
